Hi I'm sharing this, I'm sure you've seen it. But wanted To be sure!

This is Pat King: He's calling for some wacky things:

<https://www.facebook.com/therealpatking/videos/984340662193861/> [facebook.com]

First it's Stand down let the police find you

Then politicians and city council should come meet them

Then he advocates for the truckers to remove their air brake pins and finally Calls for 1000 trucks from across the country to come immediately! That the "contingency plan" is being enacted and that it's Go Time...
